

## Annual Membership Form

Indiana Coalition for Public Education–Monroe County (ICPE–Monroe County) advocates for all children to have high quality, equitable, well-funded schools that are subject to democratic oversight by their communities.

We are a nonpartisan and nonprofit group of parents, grandparents, caregivers, teachers, and other community members of Monroe County and surrounding areas.

This is an annual membership.

If you join at \$40 or above, \$25 of the fee goes to our state-level organization and helps pay for our lobbyist, Joel Hand, who fights tirelessly for pro-public education legislation. And \$15 remains locally to help pay for costs associated with the community conversations that we sponsor and general operation fees.

All levels of membership include subscription to our monthly "5 Things" email list as well as newsletters from the state level organization.
